

Enquiry No. 33-13013/1/2021-Isotope Geochem-NCPOR-III

Corrigendum

With reference to the enquiry regarding "Refilling and Supply of High Purity Gases", please note the revised points as follows:

1. There is a change in the purity and quantity of the CO₂ gas [revised requirement: **99.999 %** purity; 30 kg per cylinder].
2. Vendors can quote for any of the four gases.
3. A **price bid** has to be enclosed (provided as Annexure-1) herewith.
4. The revised last date for emailing the quotations at *manish@ncpor.res.in* is **20 March 2022**.
